IN EXODUS – KEEP WATCH
Consecrated Life overcomes its

In June we attended In Hayes, West London, a wonderful conference entitled "Being Alert, the Challenge of Consecrated Life." While we are still preparing a book containing several talks of different speakers, we would like to present the Power Point presentation offered by Fr. Cristo Rey Garcia Paredes. We are extremely grateful to the organisers of the CONFERENCE-ENCOUNTER IN HAYES for allowing us access to Fr. Cristo Rey`s talk.
