

Commentary on the Gospel for Thu, Jan 6th 2011

LK 4: 14-22a

Jesus expresses the missionary effects of his anointing of the spirit. These effects reveal his identity as the messenger of good news, the liberator and a healer. The one who is filled by the Holy Spirit has a commitment to live the latter's gifts and fruits in him. Life in the Spirit will lead one to constantly review one's life and to strengthen one's identity.
