

Commentary on the Gospel for Sat, Mar 5th 2011

Don't ever judge Jesus. Don't even try to ask for explanations or evidence. Doing so is to fall into a trap. You either trust or you don't. Fear the thought of the possibility that Jesus ever becomes unimportant for you. Tell Jesus, "Sometimes I do not understand you, but I accept you as you are. Accept me as I am. Please, Lord."
