

Commentary on the Gospel for Sun, Oct 13th 2019

The presence of God in our lives, his manifestations are for living our lives in testimony to and as disciples of Jesus. God touches our weakness to transform us into new brave men and women. Our faith and actions are two dimensions of one whole reality; that is the unique way in which Christian people can express their gratitude to God by living as Jesus teaches us.

In the same way, the letter to Timothy reminds us of our faith; the centre of our profession is that we die with Christ in order to live with Christ; we live as Christ did so we shall be testimony of his reign in the world.
