Peter and Paul

Peter does not depend on the faith of the people. He has his own personal experience. For that reason he dares to confess: “You are the Christ, the Son of the living God.” His mission of being the “rock” is based on this confession. Do you think your lay or ordained ministry is also fed by a powerful experience of faith in Jesus as the Christ? What would be the purpose of operating without a soul? You are a witness, not just a public face.
