

Commentary on the Gospel for Fri, Mar 9th 2012

Jesus came as the Messiah, but not as many expected; they hoped he would get rid off the Roman occupiers. God had prepared them through the prophets but they didn't really listen. Unlike the Scribes and Pharisees we need to trust in Jesus. We are the tenants of his kingdom on earth and he will guide and care for us. We will have trials but overcoming them will make our lives fruitful and we will share in Christ's life. What are the main trials I need to overcome?
