REFLECTION for Lectio Divina

Read

- Mark 7:1-8, 14-15, 21-23: The controversy with the Pharisees heats up. Rituals are supposed to express a good and true reality and not be observed if they make no sense.

Reflect

- Jesus confronted the Pharisee's shallow and lip service worship. Are you like the Pharisees concerned only about rituals and not true worship which involves all of our being?

Pray

- Be conscious not only of how you pray but why you pray. What is your motivation when you worship?

Act

- Participate actively in this Sunday liturgy, putting depth and meaning to every word and action.
