Lectio Divina

Read

- Mark 9: 30–37 For the second time Jesus predicts his passion; the disciples do not understand and Jesus gives another lesson on discipleship.

Reflect

- Why must Jesus suffer and die? Do we accept suffering not only as part and parcel of life but even essential to following the Lord?

Pray

- Pray for the strength to withstand trials in your ministry.

Act

- Learn greatness from the simplicity and humility of little children.
