

Commentary on the Gospel for Thu, Dec 20th 2012

Thursday Let us not think that the annunciation of the angel happened only in the past and only to Mary because even now, God sends messengers into our life. We encounter events, meet people, read or hear something that makes us realize what the Lord wants to tell us, that is, if we have eyes to see and ears to hear, if our hearts are open. But will we have the readiness to say with Mary, “Be it done to me according to your word”?
